WHY PAY FOR SPACE YOU DON'T USE?

01 Same Business, Less Space

The perfect solution for businesses seeking to downsize without compromising.

It is a better return on investment. Basically, same business, smarter space

02 Is Drive-in Door Important?

You have access to Freight Elevator to take your goods to your unit.

Sharing resources leads to significant savings on space and unnecessary costs.

03 The Only Mini-Warehouse in GTA

Mini units offer the only opportunity available in market for businesses to own a mini-warehouse.

Your business doesn't need the extra space, just the right space.
